§154.92 *Filing of Rate Schedules by Producer-Gatherer "Natural-gas Companies"* — (a) Every independent producer who, on or since June 7, 1954, has engaged in the interstate transportation or sale of natural gas subject to the jurisdiction of the Commission shall on or before October 1, 1954, file with the Commission rate schedules, as defined in Section 154.93 hereof, setting forth the terms

and conditions of service and all rates and charges for such transportation or sale effective on June 7 1954. To each such rate schedule there shall be attached a statement showing actual billing for a recent month in sufficient detail to show how the billing amount is determined.

(b) Every independent producer who, subsequent to the effective date of these rules, proposes to initiate an interstate transportation or sale of natural gas subject to the jurisdiction of the Commission to an existing or new customer shall file with the Commission not less than 30 days nor more than 60 days prior to the date such transportation or sale is proposed to be initiated a rate schedule, as defined in Section 154.93 hereof, setting forth the terms and conditions of service and all rates and charges for such transportation or sale. To each such rate schedule there shall be attached a statement showing estimated sales and billing for the first month of service, in sufficient detail to show billing determinants and prices used. The statement shall also give the proposed date of commencement of service. A complete copy of all material shall be furnished to each purchaser under the rate schedule. With each such filing there shall be submitted a list of purchasers, State commissions, municipalities or other public agencies to whom such material has been mailed.

§154.93 *Rate Schedule Defined*—For the purpose of Section 154.91 through 154.102 hereof "Rate Schedule" shall mean the basic contract and all supplements or agreements amendatory thereof, effective and applicable on and after June 7, 1954, showing the service to be provided and the

rates and charges, terms, conditions, classifications, practices, rules and regulations affecting or relating to such rates or charges, applicable to the transportation of natural gas in interstate commerce or the sale of natural gas in interstate commerce for resale subject to the jurisdiction of the Commission.

§154.94 *Changes in Rate Schedules*—No change shall be made in any rate, charge, or service in effect on and after June 7, 1954, for the interstate transportation or sale of natural gas in interstate commerce subject to the jurisdiction of the Commission by any independent producer required to file rate schedules pursuant to Section 154.92 hereof, without first filing a change in rates pursuant to Section 4(d) of the Natural Gas Act and in accordance with this section.

Every change in any rate schedule, rate, charge, classification or service effective or applicable to a sale subject to the jurisdiction of the Commission as of June 7, 1954, and on file with the Commission, or required to be filed pursuant to Section 154.92, or in any rate schedule, rate, charge, classification or service effective or applicable to a sale subject to the jurisdiction of the Commission initiated subsequent to June 7, 1954, on file with the Commission, or required to be filed with the Commission pursuant to Section 154.92 shall be filed with the Commission not less than 30 days nor more than 60 days prior to the date such change in rate schedule is proposed to be made effective.

The operation of any provision of the rate schedule providing for future or periodic changes in the rate, charge, classification, or service after June 7, 1954, or the effective date of any rate schedule for initial service after June 7, 1954, shall constitute a change in rate schedule.

Any change in any rate schedule, rate, charge, classification, or service provided in a rate schedule in effect on June 7, 1954, which by the terms of said rate schedule is to be operative after June 7, 1954, but prior to September 15, 1954, may be filed within said period without thirty days' prior notice, which notice is hereby waived. If the Commission in any case shall find it necessary to suspend any such proposed change, the suspension period will begin with the designated effective date of such change.

With each change in rate schedule there shall be submitted reasons, nature and basis for the proposed change, and the following information and date: (i) the date on which such filing is proposed to be made effective; (ii) a comparative statement of sales made and revenues therefrom by months under the then effective rate schedule and under the proposed changed rate schedule, or rate, charge, classification or service contained therein for the 12 months immediately preceding and for the 12 months immediately succeeding the proposed effective date of the rate schedule tendered for filing. Actual data shall be used wherever possible and any estimates shall be so designated and explained. The statement shall be subdivided by customers and delivery points when more than one is involved. Such data shall show the effect of all billing determinants.

If the proposed change in a rate schedule will result in an increase in a rate or charge, there shall also be submitted a full statement in support of such increase. A complete copy of all material shall be furnished to each party to the rate schedule. With each such filing there shall be submitted a list of purchasers, State commissions, municipalities or other public agencies to whom such material has been mailed.

ORDER PRESCRIBING REGULATIONS GOVERNING THE FILING OF RATE SCHEDULES AND APPLICATIONS FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY BY PRODUCERS AND GATHERERS OF NATURAL GAS WHICH ARE ALSO NATURAL GAS COMPANIES, AND WAIVER OF ACCOUNTING REQUIREMENTS

* * * Sec. 154.92 *Filing of Rate Schedules by Producer-Gatherer "Natural-gas Companies"*—(a) Every independent producer who, on or since June 7, 1954, has engaged in the interstate transportation or sale of natural gas subject to the jurisdiction of the Commission shall on or before October 1, 1954, file with the Commission rate schedules, as defined in Section 154.93 hereof, setting forth the terms and conditions of service and all rates and charges for such transportation or sale effective on June 7, 1954.

To each such rate schedule there shall be attached a statement showing actual billing for a recent month in sufficient detail to show how the billing amount is determined.

(b) Every independent producer who, subsequent to the effective date of these rules, proposes to initiate an interstate transportation or sale of natural gas subject to the jurisdiction of the Commission to an existing or new customer shall file with the Commission not less than 30 days nor more than 60 days prior to the date such transportation or sale is proposed to be initiated a rate schedule, as defined in Section 154.93 hereof, setting forth the terms and conditions of service and all rates and charges for such transportation or sale. To each such rate schedule there shall be attached a statement showing estimated sales and billing for the first month of service, in sufficient detail to show billing determinants and prices used. The statement shall also give the proposed date of commencement of service. A complete copy of all material shall be furnished to each purchaser under the rate schedule. With each such filing there shall be submitted a list of purchasers, State Commissions, municipalities or other public agencies to whom such material has been mailed.

Sec. 154.93 *Rate Schedule Defined*—For the purpose of Section 154.91 through 154.102 hereof "Rate Schedule" shall mean the basic contract and all supplements or agreements amendatory thereof, effective and applicable on and after June 7, 1954, showing the service to be provided and the rates and charges, terms, conditions, classifications, practices, rules and regulations affecting or relating to

such rates or charges, applicable to the transportation of natural gas in interstate commerce for resale subject to the jurisdiction of the Commission.

Sec. 154.94 *Changes in Rate Schedules*—No change shall be made in any rate, charge, or service in effect on and after June 7, 1954, for the interstate transportation or sale of natural gas in interstate commerce subject to the jurisdiction of the Commission by any independent producer required to file rate schedules pursuant to Section 154.92 hereof, without first filing a change in rates pursuant to Section 4(d) of the Natural Gas Act and in accordance with this section.

Every change in any rate schedule, rate, charge, classification or service effective or applicable to a sale subject to the jurisdiction of the Commission as of June 7, 1954, and on file with the Commission, or required to be filed pursuant to Section 154.92, or in any rate schedule, rate, charge, classification or service effective or applicable to a sale subject to the jurisdiction of the Commission initiated subsequent to June 7, 1954, on file with the Commission, or required to be filed with the Commission pursuant to Section 154.92 shall be filed with the Commission not less than 30 days nor more than 60 days prior to the date such change in rate schedule is proposed to be made effective.

The operation of any provision of the rate schedule providing for future or periodic changes in the rate, charge, classification, or service after June 7, 1954, or the effective

date of any rate schedule for initial service after June 7, 1954, shall constitute a change in rate schedule.

Any change in any rate schedule, rate, charge, classification, or service provided in a rate schedule in effect on June 7, 1954, which by the terms of said rate schedule is to be operative after June 7, 1954 and prior to September 15, 1954, may be filed on less than thirty days prior notice, subject nevertheless to the right of the Commission to suspend any such proposed change, if the Commission in any case shall, within thirty days after date of filing, find it necessary to suspend such proposed change. If any such proposed change is suspended, the suspension period will begin with the designated effective date of such change.

With each change in rate schedule there shall be submitted reasons, nature and basis for the proposed change, and the following information and data: (i) the date on which such filing is proposed to be made effective; (ii) a comparative statement of sales made and revenues therefrom by months under the then effective rate schedule and under the proposed changed rate schedule, or rate, charge, classification or service contained therein for the 12 months immediately preceding and for the 12 months immediately succeeding the proposed effective date of the rate schedule tendered for filing. Actual data shall be used wherever possible and any estimates shall be so designated and explained. The statement shall be subdivided by customers and delivery points when more than one is involved. Such data shall show the effect of all billing determinants.

If the proposed change in a rate schedule will result in an increase in a rate or charge, there shall also be submitted a full statement in support of such increase. A complete copy of all material shall be furnished to each party to the rate schedule. With each such filing there shall be submitted a list of purchasers, State commissions, municipalities or other public agencies to whom such material has been mailed.

§154.92 *Filing of Rate Schedules by Independent Producer.*—(a) *Every independent producer who, on or since June 7, 1954, has engaged in the interstate transportation or sale of natural gas subject to the jurisdiction of the Commission shall on or before December 1, 1954, file with the Commission rate schedules, as defined in Section 154.93 hereof, setting forth the terms and conditions of service and all rates and charges for such transportation or sale effective on June 7, 1954.* To each such rate schedule there shall be attached a statement showing actual billing for a recent month in sufficient detail to show how the billing amount is determined.

(b) Every independent producer who, subsequent to the effective date of these rules, proposes to initiate an interstate transportation or sale of natural gas subject to the jurisdiction of the Commission to an existing or new customer shall file with the Commission not less than 30 days nor more than 90 days prior to the date such transportation or sale is proposed to be initiated a rate schedule, as defined in Section 154.93 hereof, setting forth the terms and conditions of service and all rates and charges for such transportation or sale. To each such rate schedule there shall be attached a statement showing estimated sales and billing for the first month of service, in sufficient detail to show method of billing and prices used. The statement shall also give the proposed date of commencement of service. A complete copy of all material shall be furnished to each purchaser under the rate schedule. With each such filing

there shall be submitted a list of parties to whom such material has been mailed.

(c) Every independent producer who transports or sells less than 100,000 Mcf. annually of natural gas subject to the jurisdiction of the Commission may, in lieu of the requirements of paragraphs (a) and (b) of this Section file a statement shrowing (1) the approximate annual volume involved, (2) the rate charged therefor, (3) the name of the purchaser, and (4) the geographical location (field, county, and State) at which delivery is made.

§154.93 *Rate Schedule Defined.*—For the purpose of Sections 154.92 through 154.101 hereof "*Rate Schedule*" *shall mean the basic contract and all supplements or agreements amendatory thereof, effective and applicable on and after June 7, 1954, showing the service to be provided and the rates and charges, terms, conditions, classifications, practices, rules and regulations affecting or relating to such rates or charges, applicable to the transportation of natural gas in interstate commerce or the sale of natural gas in interstate commerce for resale subject to the jurisdiction of the Commission.*

§154.94 *Changes in Rate Schedules.*—(a) *No change shall be made in any rate, charge, or service in effect on and after June 7, 1954, for the interstate transportation or sale of natural gas in interstate commerce subject to the* jurisdiction of the Commission *by any independent producer required to file rate schedules pursuant to Section 154.92 hereof, without first filing a change in rates pursu-*

ant to Section 4(d) of the Natural Gas Act and in accordance with this section.

(b) *Every change in any rate schedule, rate, charge, classification or service* effective or applicable to a sale subject to the jurisdiction of the Commission as of June 7, 1954, and on file with the Commission, or required to be filed pursuant to Section 154.92, or in any rate schedule, rate, charge, classification or service effective or applicable to a sale subject to the jurisdiction of the Commission initiated subsequent to June 7, 1954, on file with the Commission, *or required to be filed with the Commission pursuant to Section 154.92 shall be filed with the Commission in duplicate not less than 30 days nor more than 90 days prior to the date such change in rate schedule is proposed to be made effective.*

(c) The operation of any provision of the rate schedule providing for future or periodic changes in the rate, charge, classification, or service after June 7, 1954, or the operation of any like provision in any initial rate schedule filed after June 7, 1954, shall constitute a change in rate schedule.

(d) Any change in any rate schedule, rate, charge, classification, or service provided in a rate schedule in effect on June 7, 1954, which by the terms of said rate schedule is to be operative after June 7, 1954 and prior to September 15, 1954, may be filed on less than thirty days' prior notice, subject nevertheless to the right of the Commission to suspend any such proposed change, if the Com-

mission in any case shall, within thirty days after the date of filing, find it necessary to suspend such proposed change. If any such proposed change is suspended, the suspension period will begin with the designated effective date of such change.

(e) With each change in rate schedule there shall be submitted reasons, nature, and basis for the proposed change, and the following information and data: (i) the date on which such filing is proposed to be made effective; (ii) a comparative statement of sales made and revenues therefrom by months under the then effective rate schedule and under the proposed changed rate schedule, or rate, charge, classification or service contained therein for the 12 months immediately preceding and for the 12 month immediately succeeding the proposed effective date of the rate schedule tendered for filing. Actual data shall be used wherever possible and any estimates shall be so designated and explained. The statement shall be subdivided by customers and delivery points when more than one is involved.

(f) If the proposed change in a rate schedule will result in an increase in a rate or charge, there shall also be submitted a full statement in support of such increase. A complete copy of all material shall be furnished to each party to the rate schedule. With each such filing there shall be submitted a list of the parties to whom such material has been mailed.
